Central Arizona Groundwater Replenishment District Tariff

Applicable to:

- Water Utility of Greater Tonopah (the "Company" or "WUGT");

CAGRD Adjustment Mechanism:

The Company's Central Arizona Groundwater Replenishment District (CAGRD) adjustment mechanism will operate in the following manner:

1. The initial adjustor fee shall apply to all water sold after the Company enrolls in the CAGRD. In order to calculate this initial fee, the Company shall submit the date for the most recent year, as per condition no. 7 below, within 30 days of enrolling in the CAGRD.
2. The Company shall, on a monthly basis, place all CAGRD monies collected from customers in a separate, interest bearing account ("CAGRD Account").
3. The only time the Company may withdraw money from the CAGRD Account is to pay the annual CAGRD fee to the CAGRD, which is due on October 15 of each year.
4. The Company must provide to Staff a semi-annual report of the CAGRD Account and CAGRD use fees collected from customers and paid to the CAGRD, with reports due the last week of October and the last week of April each year.
5. The Company must provide to Staff, every even-numbered year (first year being 2014) by June 30th, the new firm rates set by the CAGRD for the next two years.
6. The CAGRD adjustor fees shall be calculated as follows: The total CAGRD fees for the most current year in the Phoenix AMA shall be divided by the gallons sold in that year to determine a CAGRD fee per 1,000 gallons.
7. By August 25th of each year, beginning in 2014, the Company shall submit for Commission consideration its proposed CAGRD adjustor fees for the Phoenix AMA, along with the calculations and documentation from the relevant state agencies to support the data used in the calculations. Failure to provide such documentation to Staff shall result in the immediate cessation of the CAGRD adjustor fee. Commission-approved fees shall become effective on the following October 1st.
8. If the CAGRD changes its current method of assessing fees (i.e. based on the current volume of water used by customers) to some other method, such as, but not limited to,

Effective Date: 1 April 2014
Decision No: 74364
Docket No: W-01212A-12-0309et al.

future projection of water usage, or total water allocated to the Company, the Company's collection from customers of CARGD fees shall cease.

9. As a compliance item, the Company shall submit a new tariff reflecting the initial adjustor fee as per Condition No. 1 above and shall annually submit a new tariff reflecting the reset adjustor fee prior to the fee becoming effective.
